Morning Pep Rally, Dance To Start Homecoming Day

BREAKFAST ON the City-center Building lawn will kick off Homecoming Day activities, it was announced by Brook Noser, pep rallies chairman. For 50 cents students may eat on the grass

and dance in the street, 7:30 a.m. Nov. 5.

Scrambled eggs, hash brown potatoes, sausage, toast, and cocoa are tentatively on the menu. The food is being prepared by volunteer workers of Provo cafes, and will be served by the Cougarets, Noser said.

A DANCE BAND will be stationed in the middle of the lawn for dancing in the roped-off street. A continuous talent show pep rally is scheduled throughout breakfast.

Tickets for the breakfast must be purchased next week from Cougarets or sales booths on campus. The tickets will be Homecoming label ribbons.

FOOD is being prepared for 5,000 people, according to Noser. If this breakfast is successful he intends to suggest it as a permanent Homecoming activity.

Homecoming Procession To Be On TV

BRIGHAM YOUNG University's Homecoming Parade will be televised over KTVU-TV, Salt Lake City, it was announced Wednesday by David Smithson, Homecoming general chairman.

The biggest parade in BYU history, he added, will also be the first ever to come before a TV camera. More than 25 entries are listed for the parade so far. Smithson predicted there would be at least a thousand band members.

BROADCASTING is scheduled to begin as the parade starts moving at 9:45 a.m. Oct. 5. It will continue throughout the length of the procession.

Smithson advised all organizations or individuals with entries in the parade to consider the television camera in building and securing their entries.

HE EXPECTS an increase in offers of high school bands due to the television, and said the committee is trying to arrange facilities for more musicians. The 500 band members already listed have been promised a free lunch at the BYU cafeteria and passes to the Homecoming game. An alternate reward may have to be set up for others, he said.

No other Homecoming activity is scheduled for television.

Welfare Production Thursday Evening

CAMPUS BRANCH'S annual welfare variety show, "Kampus Kapers" will be presented Thursday at 8 p.m. in the Joseph Smith auditorium instead of Wednesday night as previously announced in the Universe.

The show, which will feature an around the world theme, includes such acts as musical numbers by German baritone Karl Bodon, a Russian literature selection by Peter Lysenko, a French song, "C'est Si Bon," by Heinz Hubler, and numbers by the Kila Ora Club.

Admission, the proceeds from which will go to pay for Campus Branch's annual welfare assessment, are 50 cents each.

BYU Professors In Council Race Become Finalists

DR. STEWART Grow and Dr. T. Earl Purdie, Brigham Young University faculty members, were reported to be among the finalists in the Provo City election held Tuesday.

Their names will appear on the final ballots, Nov. 8. Dr. Purdie is running for commissioner of the Northeast district, and Dr. Grow for councilman-at-large.

Dr. Grow, political science professor, was vice-chairman of the committee that formed the city charter, adopted by Provo in August, 1955. Dr. Purdie, speech professor, has returned this year from the New England States Mission.

OTHER BYU faculty members in the preliminary campaign were Mrs. Julia Cairne, Rodney Kimball, and Clarence Robison.

Four district councilmen and three who represent the city at large will compose the new council. They will then hire a city manager. The council will elect one of their members to hold the title of "Mayor."

Late News Flashes

S. Viet Nam Proclaimed Republic, Dien Becomes President

SAIGON, South Viet Nam (AP)—Premier Ngo Dinh Diem Wednesday solemnly proclaimed South Viet Nam a republic and became its first President.

Diem, who came to power in the midst of chaos and despair last year, won 98.2 per cent of the vote in a referendum Sunday. The action deposed ex-Emperor Bao Dai and made Diem the new chief of state.

Russia Said Demanding Red China Sent in Atom Agency

UNITED NATIONS, N. Y. (AP)—Russia was reported Wednesday demanding a place for ed China in a proposed world conference to set up an atom-for-peace agency and in the agency itself.

Moves in the U.N. political committee for a unanimous vote on a resolution on atom-for-peace will fail if Moscow insists on this view, diplomatic informants said.

Salt Lake City Cracks Down on Polygamists

SALT LAKE CITY (AP)—The first complaints in what officials indicated may become a statewide crackdown on the practice of polygamy were signed Wednesday before City Judge J. Patton Neely.

They named three men and accused them of unlawful cohabitation in Salt Lake County. Frank E. Moss, Salt Lake County Attorney, said the three had a total of 13 wives and 62 children under 18 years of age.

POWER TO TYRANNIZE

(An Editorial)

Last week the Brigham Young University Elections Committee disqualified a person who was a candidate in a studentbody election. When this happened, the Elections Committee accomplished the following:

1. Disfranchised the students who voted for the person involved.
2. Exercised a right which implies that the Elections Committee has power to actually name the winners of elections by eliminating opponents. The power to disfranchise is the power to tyrannize.
3. Disqualified a candidate for a "crime" that perhaps did not fit the punishment.
4. Tried, found guilty and punished that candidate for violation of regulations created or adopted by that same Elections Committee. This means that the Elections Committee has both legislative and judicial powers.

However, the Elections Committee should not be condemned for its acts. Blame should be placed on persons or agencies that give such a group so much power.

Perhaps it was not realized by responsible persons that the group could exercise such powers until after the disqualification occurred.

Several elections are pending, and those responsible should take immediate steps to correct the situation.

Several things can be done. Legislative, executive and judicial powers of the Elections Committee could be split into separate organizations. Other punishments, such as fining candidates a prescribed amount of votes for various offenses, could be devised.

Elimination of the power to disqualify candidates after the votes have been cast would also be in order. This power is perhaps the most dangerous one that the Elections Committee has.

Ken Young, Elections Committee chairman, has agreed that some changes are in order. However, he is not empowered to effect those changes alone.

The Elections Committee is the creature of the Executive Council of the Associated Students of Brigham Young University. Therefore, any action to change the situation is for that group to initiate.

Freshman Elections will be held next month. How's about getting rid of it?

Loan Fund Dance To Raise Funds For 'Needy' Loans

Sophomore Loan Fund Ball, "Etchings in Blue," will be Friday at 9 p.m. in the Smith Fieldhouse and the Social Hall.

Tickets for the dance are still available in the Eyring Science Center, or may be purchased at the door for \$1 per couple.

All proceeds of the dance will go into a Sophomore Loan Fund for all needy students. The sophomores hope to take in \$500 this year, according to Dave Ward, sophomore class president.

Dancing in the fieldhouse will be to the music of Gus Sheldahl and his band, and Wes Barry will furnish the music at the Social Hall.

The Sophomore Loan Fund Queen, and her attendants, will be crowned at Thursday's assembly. They will be introduced again at the dance.

A floor show is planned for intermission. All decorations and refreshments will be done in blue.

East Provo Stake Conference
Will Convene at Fieldhouse

IN ORDER TO provide for an expected record attendance Sunday, general sessions of the quadrennial conference of East Provo Stake of the Church of Jesus Christ of Latter-day Saints will be held in the South Fieldhouse at the Brigham Young University.

Sherman T. Hill, stake president, said arrangements had been

made with BYU officials to hold the 10 a.m. and 2:30 p.m. sessions in the fieldhouse because it is the only building in the city large enough to accommodate the expected audience of 4,000 Campus Watchers are members of this stake.

LARGEST attendance previously recorded at a conference of East Provo Stake was 2,857 in the Provo Tabernacle. The tabernacle which has a seating capacity of 2,000 serves the four Provo LDS Stakes.

Created in 1947 by the division of Provo Stake, the East Provo Stake now has a church population of more than 7,000 members. As the stake includes three branches on the BYU campus, this number is swelled during the quadrennial year by approximately 2,000 students who live in dormitories and apartments on the campus.

SUNDAY'S GENERAL sessions of the East Provo Stake will mark the first use of the 11,000 capacity fieldhouse for a stake conference, although it has previously housed "convention" sessions of the LDS semannual Faithfuls meetings by direct wiring from Salt Lake City, and satellite services in Provo for 40th observations. In addition to athletic events, BYU uses the structure regularly for admissions and other major events.

Other sessions of the East Provo Stake conference will be held at 8:30 and 8 p.m. Saturday in the 75th Bonneville Ward chapel and at 8:30 p.m. Sunday in the Provo Tabernacle.

Trebled But Light...

Opera Workshop to Maintain Own Orchestra for Program

OPERA WORKSHOP plans to maintain its own orchestra this year in line with a trebled production program. Musicians are now being auditioned for the 25-piece group, which is scheduled to make its debut Nov. 16 at the presentation of Victor Horvitz's "Sweethearts."

Anyone playing standard string, brass, woodwind or instruments may contact Dr. Dan

L. Earl, opera workshop director, 136 College Building. Rehearsals will be scheduled by the musicians.

THIS is the first year the music department has tried on producing a second orchestral group, according to Dr. Earl. Symphony orchestra, now the only BYU orchestra, this year has too full a schedule to accompany the three planned operas.

Three opera workshop innovations, the orchestra and two additional performances a year, mark the workshop's fifth anniversary. In past years the workshop has presented only one a year, all always a "heavy" opera, Dr. Earl said.

THEY NOW plan to present a light opera each fall quarter, a heavy opera in the winter, and a musical comedy spring quarter in conjunction with the speech and dance departments.

This new schedule will give the workshop a chance to utilize students whose voices are not strong enough for heavy opera or who specialize in comedy, Dr. Earl said. For the first time casts will be generally open to the student body and not limited to opera workshop.

Scheduled for winter quarter this year in "Rigoletto," "Carmen" will be this year's musical comedy.

House Decorations Judging Scheduled For Four Trophies

ALL HERITAGE Halls several boys' dorms and many off-campus housing units are making plans to enter house decorating contests to be held during Homecoming Week, according to Bill George, displays chairman.

Decorations will be judged on four points: workmanship, originality, beauty, and adherence to the theme.

THREE TRAVELING trophies will be awarded to the top on-campus displays which will be judged and judged at night. Any housing unit that wins a trophy three years in succession will be given the award permanently. The alumni association will give a special trophy for the most beautiful decoration.

OFF-CAMPUS housing will be judged on the same points but only one trophy will be awarded. Teenpeople have been invited to join students in decorating homes and apartments.

Fifteen Provo business houses have agreed to place homecoming displays in their show windows. They will not be judged but will be included in a movie record of this year's celebration.

BUSINESSMEN who will have displays are: Clark's, Bowyer's, Taylor's, Leaver's, Thomsen's, Shaver's, Sweetheart, Dixon-Taylor, Russell Pharmacy, Knight's, Utah Office Supply, Grant's, Lerner's, and Smart Shop.
